

2/21/12

Dear Lazarus House,

Good morning! We are Mrs. Heynck's second grade class and we go to Anderson Elementary School. For the 100th day of school, we collected 100 coins to donate to your homeless shelter. We couldn't do it alone, so we asked our second grade friends from our school to help us collect the coins.

Together, we raised \$142.40 that will hopefully help you buy food for kids or people who don't have a home. We hope you enjoy our donation and put it to good use.

Sincerely,

Mrs. Heynck's Class and all the other second grade classrooms
