## PROPOSED SALE OF PRODUCT/SERVICE TO BENEFIT LAZARUS HOUSE

Lazarus House thanks you for thinking of us. We are grateful to the community for your support which sustains us. We truly wouldn't exist without the good intentions of our donors. Based on advice of our auditor, and in a time of increased scrutiny of Accounting Standards, we find ourselves in the position of needing to formalize arrangements with those who offer to raise funds on our behalf. We hope you understand. It is the sincere desire of Lazarus House to continue the warm and generous relationships we have traditionally experienced.
