Why did you decide to help Lazarus House?

We were learning about the virtue of generosity and wanted to put the virtue into action. So, we decided to raise/donate money towards the grocery fund for the sack lunches and donate the additional funds to Lazarus House. We chose Lazarus House since they help the people of our local communities.

How did you do it?

All of the girls from our club brought monetary donations to previous meetings. We kept track of the donations each week. Some of the funds were used to purchase groceries to assemble 25 Sack Lunches, and we decided to donate the remaining funds.
